

## Scan Associates Secures RM5.5 Million Managed Security Services Project

Published: 02 September 2010

KUALA LUMPUR, Sept 2 (Bernama) - Scan Associates Bhd, an information and communication technologies security solutions provider, has secured a RM5.5 million project for managed security services from Celcom Transmission Sdn Bhd.

The project entails the development, integration and deployment of various ICT security solutions, including hardware, software and application, as well as provision of project management and technical training.

In a filing to Bursa Malaysia on Thursday, the company said funding for the 24-month project would be sourced from internally-generated funds.

"Issuance of the letter of award is expected to contribute positively to enhance the group's earnings and net tangible assets," it added.
